Miscellaneous nets

We design and manufacture a variety of nets in our own netting workshops. Based on a broad knowledge of design and applications we can offer a diversity of nets; standard or customer specific designs. An extensive stock guarantees short delivery time span, even for custom made nets. Evidently we can also offer **inspection and certification services** for safety nets.

applications:

- ✓ carousel/basket nets
- ✓ gangway nets
- ✓ cargo lifting nets
- ✓ helicopter nets
- ✓ safety nets
- ✓ boundary nets
- ✓ escape nets
- ✓ pollution recovery nets
- ✓ birds nets
- ✓ etc.
