Tag lines

In our workshop we manufacture tag lines in any length and diameter.

Our tag line can be assembled from any required material. The most common used tag lines exist of a core rope with a wrapped PE grip rope. Any required fitting can be supplied, such as carabiner or scaffold hooks.

Our tag lines also can be fitted with glow-in-the-dark rope.

The CIV O&S tag lines offer multiple advantages:

- ✓ durability
- ✓ excellent grip
- ✓ available in any required length
- ✓ Short delivery time by in-house production
